## REMEMBRANCE DAY SERVICE ON 10 NOVEMBER

The annual remembrance service for radio amateurs who offered their lives on duty for South Africa will be broadcast on Sunday 10 November at 10:45 over all the transmitters of Radio-Sonder-Grense. Rev. Lendus de Villiers, ZS6LLV, minister of the DRC congregation Rietfontein-North in Pretoria will conduct the service. We request that amateurs maintain radio silence during the transmission and where possible relay the service over repeaters.

On Monday 11 November 1918, at 05:00 the Armistice was signed in the railway carriage of Marshall Foch in a forest on the Western Front. At 11:00 on 11 November 1918 the guns fell silent and peace came to the Western Front, the end of the First World War. At 11:00 on Monday 11 November 2002 it will be the 84th anniversary of the end of the Great War.

Radio Amateurs across South Africa are asked, where possible, to observe two minutes silence at 11:00 on 11 November to honour the fallen of all wars. The first in thanksgiving of those who survived and the second in memory of those who paid the supreme sacrifice.

## PROVISIONAL RESULTS SEPTEMBER VHF/UHF CONTEST

Here are the provisional results for the September SARL VHF/UHF Contest. Of the 16 logs received only 4 were sent by post, the remainder arriving by email. Sending the log in a graphic format such as jpeg or gif file causes problems! Logs must contain a summary sheet containing the relevant information as per the SARL Contest Manual or Blue Book.

Unless there are any protests these results will become final within 14 days of publication on the SARL bulletin. Thanks to all who sent in logs.

#### CITY OR TOWN SEARCH ON THE ONLINE CALL BOOK

Richard ZS2CLI has created something new for members to play with. He has created a search facility for the online call book that will allow a member to type in a City or Town name and get a list of amateurs who's postal address contains that City or Town name. But the list may not contain all the information required. Some amateurs do not include the main city/town in their postal addresses; for example, a ham in Gonubie is not going to add East London to his address. When you do a search on East London, the Gonubie addresses will not be included. How do you get to the new City search.visit [www.sarl.org.za/members/Adv\\_callbook1.asp](http://www.sarl.org.za/members/Adv_callbook1.asp).

#### SARL HF FIELD DAY

The Contest Committee would like input from clubs and individuals as to a suitable date for the SARL HF Field Day. The present date in March is not suitable as it is to close to the SARL VHF/UHF Contest. Please have a look at the calender and send suggestions to [zs4bs@netactive.co.za](mailto:zs4bs@netactive.co.za)

#### SARL OPEN DAY AT THE NARC A GREAT SUCCESS

The SARL open day at the NARC last Saturday 2 November was a great success. Not notwithstanding the unpleasant weather, radio amateurs from far a field paid a came to do business. Two new members joined up and three came to renew their membership. Books to the value of approximately R1 300 were sold, thus the SARL benefited financially on the day.

Amateurs from Witbank, Alberton, East Rand, Sandton and Pretoria were present. Fifteen members of Magalies Radio Amateur club and their families totalling 28 persons camped under the trees and had a pleasant gathering, full of jokes. Children and young people enjoyed the jumping castle until they were tired. Just before the rain came down, everybody moved to the lappa, the braai fires were ready and the meat on the grill could be smelled from far away. Everyone was in a happy mood and enjoyed the get-together while having lunch with all the salads prepared by the ladies.

After lunch Piet ZR6PJB and Jacques ZR6JS gave a interesting talk on the operational aspects of IRLP and later gave a practical demonstration in the Reno Faber Radio Room. From now on the NARC will be open for business every second Saturday from 09:00 till 13:00 for the benefit of those who do not work on Saturdays.

## SILENT KEY

It is with great regret that the Council of the SARL have to announce the passing away of Johannes van der Hoven, ZS6CC, better known as "Hofie", on Friday November 8 at the age of 58 years. Hofie had his training at the Olifantsfontein radio and Hartbeeshoek satellite stations. He was a knowledgeable person and well known for his satellite weather picture transmissions.
